

Release Time Bible Registration and Covid Release form for 2022-23

Parents and Guardians,

Again this year, Wa-Nee Released Time Christian Education Association will be offering Bible classes for students in grades 1-5 at all Wa-Nee Elementary Schools. Bible classes will start the week September 20th for Nappanee Elementary and Woodview Elementary students and the week of September 27th for Wakarusa Elementary students

The Bible program has been a part of our school system for generations. It is sponsored by churches and businesses in the Wa-Nee School District. The program is designed to give every student an opportunity to receive a Bible oriented, non-denominational learning experience.

Students will be released for 30 minutes one day a week to attend Bible classes and the schedule is set up so it does not interfere with any other school activities. Each class will be transported by bus to a local church where classes will be held. During this time the students will listen to Bible stories, experience object lessons, hear and learn Bible verses, and will be invited to pray. We will follow all necessary procedures and guidelines set forth by the Wa-Nee School Corporation to protect against Covid-19 and to keep your student as safe as possible. Students will attend Bible classes with the same students they have class with.

The classes are provided at no cost to your family. To register your child, simply fill out and sign the form below, by signing this form you also agree to the terms listed on the WNRTCEA Covid Release Form (attached).
